REQUIREMENTS

- A parent/guardian must be present at BIRC at all times. You may be contacted periodically to address your child's needs (toileting, diapering, feeding, upset child, etc.).
- A Child Service Agreement form must be read, filled out, and signed for all first-time children.
- The time allotment is from one hour to two hours per session.

HEALTH AND SAFETY

- In the interest of children with food allergies, food is not allowed in Kids Club. Bottles and sippy cups are permitted.
- For the health protection of other children and the staff, please do not bring sick children into Kids Club. If your child appears to be sick, they may be turned away at the staff's discretion.
- Children must wear socks at all times. If they come without socks, they must wear their shoes.

PARENT NOTIFICATION

- Each parent/guardian with a child in Kids Club will be issued a wristband. The wristband must remain on until the parent/guardian picks up the child and leaves the facility.
- If a behavioral issue should arise, parents will be notified so the case may be resolved.
- Please let us know of any special needs your child may have so that we may address those needs.
- Due to health code regulations, Kids Club personnel cannot change diapers during a child's stay in Kids Club. Staff will inform a parent/guardian if a diaper change or toileting is needed. Please let staff know if your child is potty trained or has specific needs.

TOYS

We have a variety of toys that we wash regularly, so we ask that children not bring toys from home. We do not want anything special to get lost or broken!
